

South African Revenue Service

Dear Stakeholder

Introduction of Reportable Arrangement Submissions on eFiling – Effective 19 February 2025

We are pleased to inform you of an important update regarding the submission of Reportable Arrangements. Previously, Reportable Arrangements, as outlined in sections 34 to 39 and section 212 of the Tax Administration Act, 2011 (Act 38 of 2011) were submitted manually via the reportable@sars.gov.za email address. In response to several requests from stakeholders for enhanced security and efficiency, SARS is now offering the option to submit these arrangements via eFiling. This new submission process can be accessed under the services section, specifically under “Additional Services” on the eFiling platform.

Please note that the reporting requirements remain unchanged. The designated Reportable Arrangements (RA01) form must still be completed and uploaded, together with all required supporting documentation. To ensure a smooth transition, submission via both eFiling and email will run concurrently until 31 May 2025, after which email submissions will be discontinued.

This initiative is in line with our ongoing efforts to modernise and update our systems and processes to provide digital and streamlined services. This is part of our commitment to building a smart, modern SARS with unquestionable integrity. We believe that these changes will contribute to making it easy to comply and providing clarity and certainty for taxpayers to meet their tax obligations.

More information

If you have any queries, please contact your SARS-dedicated stakeholder management representative, your dedicated relationship manager, or visit the SARS website on www.sars.gov.za.

Sincerely

THE SOUTH AFRICAN REVENUE SERVICE
